These products are exposed in particular to a risk of capital loss.

Past performance is not a reliable indication of future return and is not constant over time.

(1) The risk profile is not constant and may vary over time. The lowest category does not mean a risk-free investment. Historical data, such as is used to calculate the risk/return ratio, may not be a reliable indication of the future risk profile of the Fund. There is no guarantee that the management objectives in terms of risk and return will actually be met. | (2) As of 31/12/2018 (3) Copyright © Morningstar, Inc. All Rights Reserved. // Our commitments and certifications

For several years, ODDO BHF AM has placed the integration of ESG (Environment, Social, Governance) criteria and sustainable development at the heart of its priorities and has been a signatory of the United Nations Principles for Responsible Investment (PRI) since 2010.

GIPS®: The performance of ODDO BHF AM has been GIPS® certified since 31/12/1999 and has been verified since 31/12/2006. Such certification attests that the performance information is complete and accurate.

ISAE 3402, type II: This certification attests to the efficiency of our internal controls.

// Our locations

ODDO BHF AM is the asset management division of the ODDO BHF Group. It is the common brand of four legally separate asset management companies: ODDO BHF AM SAS (France), ODDO BHF PRIVATE EQUITY (France), ODDO BHF AM GmbH (Germany) and ODDO BHF AM Lux (Luxembourg). This document has been drawn up by ODDO BHF ASSET MANAGEMENT SAS for all market communication. Its goal is to present the ODDO BHF AM brand. Its investor communication is the responsibility of each promoter, distributor or advisor. Potential investors are invited to consult an investment advisor before investing in a strategy. Investor's attention is drawn to the fact that all strategies are not authorised in every country. Should they decide to invest, investors are invited to acquaint themselves with the detailed nature of any risks incurred, in particular the risk of capital loss. The value of the investment may vary both upwards and downwards and may not be returned in full. The investment must be made in accordance with investors' investment objectives, their investment horizon and their capacity to deal with the risk arising from the transaction. ODDO BHF AM SAS cannot be held responsible for any direct or indirect damages resulting from the use of this document or the information contained in it. This information is provided for indicative purposes and may be modified at any moment without prior notice. Investors are reminded that past performance is not a reliable indication of future returns and is not constant over time. Any opinions presented in this document result from our market forecasts on the publication date. They are subject to change according to market conditions and ODDO BHF AM SAS shall not in any case be held contractually liable for them. Copyright © Morningstar, Inc. All Rights Reserved. The information, data, analyses and opinions with reference to Morningstar contained herein (1) include the confidential and proprietary information of Morningstar, (2) may not be copied or redistributed, (3) do not constitute investment advice offered by Morningstar, (4) are provided solely for informational purposes and therefore are not an offer to buy or sell a security, and (5) are not warranted to be correct, complete or accurate. Except as otherwise required by law, Morningstar shall not be responsible for any trading decisions, damages or other losses resulting from, or related to, this information, data, analyses or opinions or their use. This report is supplemental sales literature, and therefore must be preceded or accompanied by a prospectus and disclosure statement. From January 3, 2018, when ODDO BHF AM provides investment advisory services, please note that it's always on a non-independent basis pursuant to the European Directive 2014/65/EU (so-called "MIFID II Directive"). Please also note that all recommendations made by ODDO BHF AM are always provided for diversification purposes.
