#### Commentaries over the quality of execution obtained

Oddo BHF SCA - Corporates and Markets' execution policy applies to "Professional clients" who does not receive any differentiated execution treatments within this category. For the execution of Orders, Oddo BHF SCA takes all the necessary steps to obtain the best possible outcome taking account of the following factors (the "Factors"):

- the price of the Financial Instrument at which the Order is executed:
- the size of the Order;
- the speed of execution;
- the likelihood of execution and settlement of the Order;
- the Order's overall execution cost;
- the nature of the Order: and
- any other considerations related to the execution of the Order.

Lastly, orders executed on behalf of clients will be promptly and accurately recorded and allocated. They will be executed in the order in which they are received, unless the characteristics of the Order or prevailing market conditions make this impossible.

#### Commentaries over the quality of the broker selection

Third-party brokers are selected based on criteria including the following:

- Access to liquidity:
- The counterparty's quality and reliability;
- The quality of the proposed trading algorithms;
- The quality of the clearing and settlement of the Financial Instruments and the management of securities transactions;
- Execution costs:
- Feedbacks from Clients, Front, Middle and Back offices of ODDO BHF;
- The quality of documents related to their execution policy and best selection obligations provided to ODDO BHF;
- The quality of the Client relationships and services.

The tree main third-party brokers used for Equities are UBS Europe SE, Morgan Stanley Europe SE and Instinct Germany Gmbh. Lastly, ODDO BHF SCA monitors regularly the quality of best selection.

Lastly, orders executed on behalf of clients will be promptly and accurately recorded and allocated. They will be executed in the order in which they are received, unless the characteristics of the Order or prevailing market conditions make this impossible.

#### Commentaries over the quality of the broker selection

Third-party brokers are selected based on criteria including the following:

- Access to liquidity;
- The counterparty's quality and reliability;
- The quality of the proposed trading algorithms;
- The quality of the clearing and settlement of the Financial Instruments and the management of securities transactions;
- Execution costs;
- Feedbacks from Clients, Front, Middle and Back offices of ODDO BHF;
- The quality of documents related to their execution policy and best selection obligations provided to ODDO BHF;
- The quality of the Client relationships and services.

The tree main third-party brokers used for Equities are UBS Europe SE, Morgan Stanley Europe SE and Instinet Germany Gmbh. Lastly, ODDO BHF SCA monitors regularly the quality of best selection.

# SUMMARY OF ANALYSIS (ARTICLE 3.3 OF DELEGATED REGULATION (EU) 2017/576)

The below answers are valid for all asset classes mentioned in this presentation.

- (b) Description of any close links, conflicts of interests, and common ownerships with respect to any execution venues used to execute orders: ODDO BHF SCA, either directly or through its affiliates, furnishes a wide range of investment services. Accordingly, ODDO BHF SCA may be confronted with situations in which conflicts of interest arise. For more details, please refer to the Conflicts of interest management policy of ODDO BHF SCA available on our website. At the time of publication of this document, ODDO BHF SCA has no conflict of interests or common ownerships with respect to any execution venues used to execute orders.
- (c) Description of any specific arrangements with any execution venues regarding payments made or received, discounts, rebates or non-monetary benefits received; ODDO BHF SCA does not have any specific arrangements with execution venues regarding payments made or received, discounts, rebates or non-monetary benefits received apart from the fact that it is itself a Systematic Internaliser for bonds. However, there are no execution costs incurred by the client in this regard.
- (d) Explanation of the factors that led to a change in the list of execution venues listed in the firm's execution policy, if such a change occurred; There have been changes in the list of execution venues for year 2023 in order to meet new clients' needs. Please refer to our new execution venues list available on our website.
- (e) Explanation of how order execution differs according to client categorisation, where the firm treats categories of clients differently and where it may affect the order execution arrangements; Execution doesn't differ according to client categorization. Please refer to our Execution Order Policy available on our website.
- (f) Explanation of whether other criteria were given precedence over immediate price and cost when executing retail client orders and how these other criteria were instrumental in delivering the best possible result in terms of the total consideration to the client; Not applicable. ODDO BHF SCA Corporates & Markets has only professional clients or eligible counterparties.
- (g) Explanation of how the investment firm has used any data or tools relating to the quality of execution, including any data published under Commission Delegated Regulation (EU) 2017/575 (RTS 27). ODDO BHF SCA reviews the RTS 28 reports of brokers it has selected on an annual basis.
- (h) Where applicable, an explanation of how the investment firm has used output of a consolidated tape provider established under Article 65 of Directive 2014/65/EU. The data required to be published by consolidated tape providers is not yet available.
